

Vision, Traction, Healthy.

Sean O’Driscoll is a Certified EOS Implementer and engaging speaker with a real passion for the entrepreneurial world.

Sean is devoted to working with growth oriented business leaders who want to take their business to the next level. He brings a unique perspective having implemented the *Entrepreneurial Operating System*® as a customer in two organizations before becoming a Certified EOS Implementer himself.

At Sean’s dynamic speaking events he draws on his experience, having conducted more than 300 client sessions with over 40 entrepreneurial organizations across the United States. He also draws upon his previous leadership experience in entrepreneurial and multinational corporations to provide value added content that is immediately actionable by attendees to directly impact their business and their lives.

“*We choose to implement EOS to take improvement forward and thought EOS to be very practical and a good fit to help us increase execution and think longer term at the same time.*
Patrick Busch – CEO, Len Busch Roses”
